

Most Popular/Retweeted Tweets Containing “Feminist” or “Feminism”

#	Text	Notes
1	@MeninistTweet: Today, a feminist asked me how I view lesbian relationships... Apparently "in HD" was not the right answer	Parody account
2	Why feminism? Because you can sell 30 MILLION copies of a single book and when you die, The Australian prints this	
3	finally a feminist snowstorm	
4	Why feminism? Because she was ALSO a FREAKIN' NEUROPHYSICIST at YALE & this is how The Australian begins her obituary	same image as 2
5	feminism is good. @femsplain is good. get into it, y'all	Kickstarter Promo
6	@YesMeninism: I need meninism because it's so much easier to pretend women cause all my problems than to admit what I actually need is feminism	Parody account
7	Criticize Feminist Frequency, get labelled an MRA/transphobe. That's not feminism thanks. That's just bullying	GamerGate
8	white feminism	
9	Girls who shit on feminism need a reality check you're literally pushing things back. How can you be against equal rights?	
10	White Feminist called out on racist appropriation responds, claiming she has no obligation to respect other cultures	GamerGate/Intersectionality
11	F.H: Fifth Harmony or Feminist Heroes?	
12	if ur a girl that is against feminism why r u voting. why r u wearing pants. how can u read	
13	Feminism has never made me hate men but men's reaction to feminism definitely has	
14	#TweetLikeALocal feminism is dumb and american sniper is the best movie in the world	Parody account
15	This is the woman who refused to debate a prolific feminist scholar. Admit it: you don't do dissent. #gamergate	GamerGate
